

600 A Configurable dust collector

Ejector modules

43051000
NE64, with S200 lid and 2 quick couplings. Recommended with filter module 43162101

43051001
NE74, with S200 lid and 2 quick couplings. Recommended with filter module 43162101

43051002
NE76, with S200 lid and 2 quick couplings. Recommended with filter module 43164101

43051003
NE96, with S200 lid and 2 quick couplings. Recommended with filter module 43164101

Silo

43440023
Silo with abrasion plate and $\varnothing 76$ inlet

Filter modules

43162101
NCF 3.15, S200, with candle filter

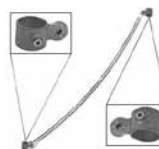

43164101
NCF 5.25, S200, with candle filter

Legs for silo

43756001
Leg 1500 mm

43756100
Leg 2200 mm

43757001
Stay-tube for legs >2200 mm

Frame for silo

43752001
Triangular frame for S200 silo

Discharge devices

43630001
Manual discharge valve

43630200
Counter weight discharge valve

43630100
Pneumatic discharge valve

43630500
Pneumatic butterfly valve
*Control kit not included

43630400
Manual butterfly valve

43632001
Pneumatic pinch valve, DN65

43632100
Pneumatic pinch valve, DN80

43632200
Pneumatic pinch valve, DN100

43630201
Counter weight discharge valve

43630300
Discharge valve Linatex d100 set with reducer for flange

43640217
Bag holder for big bag
Can be used with 43630300, 43632001, 43632100 and 43630201

43640201
Bag holder for big bag
Incl. discharge valve 43630100

43640001
Bagholder S50

43640003
Bagholder S50, for pneumatic discharge valve

43650104
Plastic bag 25 pcs.
