

## Balancer 810

Helps lift tools and reduces strain on operators

---

Series 810 balancer makes the tool weightless and minimizes the strain on the operator. The balancer comes in three different models and in nine weight classes, with a span from 0.5 kg to 10.9 kg (1 lb to 24 lb).

Covering material: composite.

- Designed with safety-chain mounting point
- Convenient snap-type tool clip
- With clevis and pin shackle for quick and easy mounting
