

AUTO-M

The Nederman Auto M series is the latest generation of robust simple mechanically cleaned bag dust collectors suitable for non-continuous duty for industrial, commercial and educational locations. The dust collector is neat, compact, unobtrusive and it is easy to clean the exterior and has a robust weatherproof welded steel construction.

- All access for maintenance from the front of the unit
- No need for compressed air
- ATEX-certified for explosive dust in categories St1, St2 and St3
- Efficient, automatic electric shaker mechanism
- Weather-proof for positioning outdoors

Product name	AUTO-M
Installation	นอกอาคาร, ในอาคาร
Suitable for combustible dust	True
