

Enrouleur de câble 744

Durable low voltage cable reel for signal transmission. 48V AC/DC 2A.

Durable cable reel for professional usage in light industrial applications when signal transmission is needed. The reel is produced in high impact resistant material and has an IP44 classification, which means it is protected from water splashes. Perfect for signal transmission in applications like overfill protection on tankers, crane trucks, camera surveillance and more. The long rubber cable (50 m, 164 ft) make the reel easy to use.

- Rubber cable
- IP44 protected
- High impact resistant material
- Durable
- Easy to use
