

Balancer 810

Helps lift tools and reduces strain on operators

Balancer 810

- ✓ Designed with safety-chain mounting point
- ✓ Convenient snap-type tool clip
- ✓ With clevis and pin shackle for quick and easy mounting

Series 810 balancer makes the tool weightless and minimizes the strain on the operator. The balancer comes in three different models and in nine weight classes, with a span from 0.5 kg to 10.9 kg (1 lb to 24 lb).

Covering material: composite.
